Members and Friends of Christ Moravian Church,

I would like to share with you these words from the ecumenical pioneer of our Moravian Church, Nicholas Ludwig Von Zinzendorf who once wrote:

"I have observed that the preservation of community is best assured through a process of continual change."

August 19, 1753, Jungerhaus Diarium

With these words in mind, I was recently presented a new opportunity in ministry. After a time of prayer, discernment and discussion with family, I have accepted the call to become Assistant to the President of the Provincial Elders' Conference, Moravian Church in America, Southern Province.

Our family will always look fondly upon our time here at Christ Moravian Church. I appreciate your prayers and support during my time serving as Pastor of Christ Moravian Church. It has truly been a privilege to serve this congregation since May of 2012.

I will officially conclude my ministry at Christ Moravian Church on April 5, 2019. My final Sunday with you all will be March 31, 2019.

Please keep the congregation and your Leadership Board members in prayer during this time of change and transition.

With the joy of serving Christ together,

The Rev. Dr. David Allen Marcus, Jr.
